RESTAURANT CULTURE

I'm Joanna, born in Shandong Province, China, and proudly rooted in both Chinese tradition and British hospitality. When I arrived in the UK in 2003, I quickly realised that the Chinese food people knew wasn't the food I grew up with — and the China they imagined wasn't the one I knew and loved. That discovery sparked a lifelong dream: to share the real flavours of China with the world.

After years of studying, working, and growing — including a Master's in Marketing & Strategy at Warwick University, where I met Mr Right - my husband Steven, an English chef. Is that fate or a coincidence? We finally opened Kungfu Kitchen in Reading in 2018. It's been many incredible years of serving authentic regional Chinese dishes with heart and soul.

🌿 Why Vegan?

Food is love. And love should be inclusive. Over the years, I've met so many customers with dietary restrictions — whether for health, ethical, or religious reasons — and I've always believed that everyone deserves access to authentic, delicious Chinese food. That's why I'm launching a fully vegan Chinese menu that celebrates the richness of plant-based ingredients while staying true to the bold, complex flavours of regional Chinese cuisine.

🥢 What We Serve

Our menu is inspired by the diverse culinary traditions of China, reimagined through a plant-based lens. Every dish is handcrafted with care, using fresh vegetables, tofu, mushrooms, legumes, and innovative meat-free alternatives — all free from animal products, nuts, and artificial additives.

🌎 Our Values

- Authenticity: Every recipe is rooted in tradition, adapted with integrity.
- Inclusivity: 100% vegan, nut-free, and allergy-aware — everyone is welcome.
- Sustainability: We source responsibly and minimise waste.
- Community: We're family-run, customer-loved, and proudly local.

Located in the heart of Reading, Green Panda is a warm, welcoming space where food lovers, vegans, and curious diners can gather to experience the true taste of China — no compromises, just love on every plate. Whether you're a long-time supporter from Kungfu Kitchen or discovering us for the first time, we invite you to be part of our journey. Your feedback, your stories, and your smiles mean the world to us. Let's build something beautiful together — one plant-powered bite at a time.
